EDUCATION:

A Levels in Art & Design/
Photography/ English
Literature

BA Hon's Illustration -
University of
Bedfordshire
2015

STATEMENT:

I pride my illustration work on its diversity and dynamicity, exploring and stretching the boundaries of illustration as a subject. My interests include reportage but narrative work is what I feel most comfortable doing. As I have a creative education and a career in retail, it's now time to push myself forwards as an illustrator, continuing to discover new interesting ways of working. My Specialism's include illustration for poetry, animation and printmaking.

EXPERIENCE:

2 week Print room internship at UOB

Private Illustration

Commissions

Photographers assistant

Event photographer

Luton Hoo children's book

festival volunteer

Bookbinding classes

5 years of retail experience

(Ted Baker/Claire's Accessories

ETC), confident in working with
